### *Revival Prayer in Festus, Missouri*

Greetings in Jesus Name!

As we continue our journey in Festus Missouri with Freedom Worship Center. We are fulfilling the instructions the Lord gave me before I left Bethel Fellowship Ministries. We all know that sometimes the Lord will tell us to do something that is symbolic to what He is doing in the Spirit.

It was a few weeks before I left that we had a couple of intercessor's visiting. We told them about the revival in Kingswood back in the early 1900's, in Breckinridge Co. KY. So, Ann, Theresa, Charlotte, Cynthia and myself went to Kingswood. Theresa and Ann felt led to get some of the water out of Kingswood creek, there were two bottles in Charlotte's car, they got out and got the water, thinking they were going to take it back with them when they left. God had other plans.

When we returned to Bethel we sat in the car talking. Now at that time no one knew I was leaving. As we were talking the Lord spoke to Ann and told her that I

was to take the water from Kingswood, she said He didn't tell her why. When she said that the Holy Spirit spoke to me and said I was to take it with me to Missouri, and pour one bottle in the Mississippi river and the other in and around the church at Freedom Worship Center. I told them the Holy Spirit just told me what to do with it. I didn't know when we would do this we just waited on the Lord.

The head Intercessor here in Festus, Pam and I had gone on a 21 day Daniel fast, and at the end the Lord showed her when we should do this. On August 24, 2010, Bro. Clete, Pam and I went to the river, and the Lord said to read (Psalm 24) and we prayed. We all knew the presence of God was among us and was doing a work.

Pam and I were in her car leaving the river when I thought I heard a train. Pam said it was the Fire Department alarm. I asked her is it 12:00 noon? She said no.

When we returned to the church Bro. Clete informed us that the Fire Department

went to the location we visited. There was a man who lost control of his boat and was going down the river. The Holy Spirit began showing me that the enemy has lost control, and the Lord was sounding the alarm. It's time to sound the alarm! (Joel 2:1). I believe what Joel 2:28 and Acts 2:17 tells us is already starting to happen. We are preparing the way for the Lord. (Mark 1:3) We are also a people preparing the way for the people (harvest) (Isaiah 62:10; 1Timothy 2:1).

2 Chronicles. 7:14 tells us, "If my people, which are

*It is time we learn to pray and give ourselves to prayer as never before:*

While traveling to churches in America and in other countries, Linda has worked with Intercessors in many churches. God has called her to teach and mentor intercessors in how to grow in prayer and join with them to cover their pastor, churches, cities and nations in prayer. Her passion for souls and the heart of God consumes her.

*called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."*

Are you called by His name? He is a rewarder of them that diligently seek Him (Hebrews 11:6)

## *Pastoral Report... "The Holiness of God"*

This has been an incredible month. It seems God wants His people to remember that He is Holy and He demands that His people be Holy. Far too many people today desire to clean the outside of the cup and call the whole thing clean.

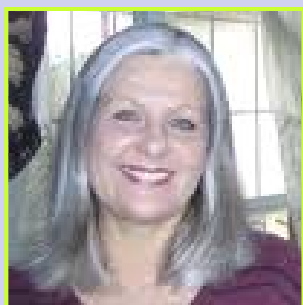

The holiness we are seeking is not a legislative or legalistic set of rules, it is the very Spirit of the Lord living through us. Hell should tremble when a believer walks in the room, but instead many times the forces of darkness are amused at the church.

The churches efforts to create results through worldly means has failed miserably. The new messages of today that promote our inner goodness and living a positive life have proven disastrous and contrary to God's Word. Where is the conviction, where is the power? Isaiah received the answer.

Isaiah 6:6-7 *"Then one of the seraphim flew to me, having in his hand a live coal which he had taken with the tongs from the altar. And he touched my mouth with it, and said: "Behold, this has*

*touched your lips; Your iniquity is taken away, And your sin purged."*

A live coal from the altar of God! The prophet Isaiah could not even function for the holiness of God was so overwhelming. Conviction gripped his heart. But God had an answer for the sinfulness of man. Isaiah's iniquity was taken away and his sin was purged. This is where the Lord has been taking us. It is time we are touched again with a coal from God's altar. Purge us oh Lord, cleanse our iniquity!

## *Prophetic Word... "Sound the Alarm"*

Ezekiel 1:26-28

You have sounded the alarm, I have drawn in the sand, The Day of The LORD is at hand! Wounded soldiers come forth and are healed, for The Armies of The LORD are advancing now! Blessed be The LORD Most High Who Is and Was and Is To Come! Victory comes now on every side, for the righteous have

prevailed and secured the land! I have a remnant, oh how they shine! Blessed be My Holy Name, for My Kingdom advances now! The Way of The LORD is at hand! Brighter and brighter, glory-to-glory, light up My sky, oh holy ones, for it is time to harvest My sheep and gather them in to My bosom. Relief is here, fresh troops are here,

the remnant is here, and the glory has come. Oh the cries, the breakthrough cries, how they break through the principalities of the air! Glory to My Holy Name, for the times of victory are seen – The Hand of The LORD is seen – I am not silent! I Am Glorious, oh so glorious to behold!

## *Prayer Report... "God is Equipping"*

Praise the Lord, the office of the intercessory prayer ministry is coming along. God is doing some mighty things among the Midnight Hour Intercessory Prayer Ministry. We have been meeting on Monday mornings and evenings for teaching and prayer time. The Lord is equipping His intercessors

(Jeremiah 1:10). He's taking us thru deliverance. I feel the Lord has told me that we are in a Holy Ghost Boot Camp (2 Corinthians 10:4-5). He is preparing us for war (Ephesians 6:11-12). We are so excited about His Business on this earth. All of us are working hard and seeking the Lord for every step of this

ministry. God is good. The Midnight Hour Intercessory Prayer Ministry & Intercessors would like to say Thank you, Thank you, Sister Linda for your steadfastness and faithfulness in standing and your unselfishness in helping establish this ministry. We say God Bless you Sister Linda.
